Cylinder Boring, Cylinder Resleeving & Replating, Crankshaft Rebuilding

Cylinder Replating

We have most popular models already replated and in stock ready to ship with your old cylinder in exchange. We also carry most pistons for an additional charge starting at \$49.95 and up.

price \$195-\$250 (does not include a piston.)

(Stud removal and re-installation is extra, usually a \$10 charge per cylinder.) Not responsible for studs that break.

Cylinder Resleeving

Our Resleeved Cylinders are "Ready For Installation"
2-7 Day Turnaround Time

Our cylinder resleeving includes precision fitting to piston specifications. Al's Resleeving stands out above the rest because our cylinders are "Ready to Install", no additional work is required on your part before installation.

Price is \$175 plus sleeve and piston

(Stud removal and re-installation is extra, usually a \$10 charge per cylinder.) Not responsible for studs that break.

We have almost every type of cylinder in stock already replated or resleeved, ready to be shipped immediately. The price is the same as shown above, but is with your cylinder in exchange.

Crankshaft Rebuilding

1, 2 & 3 cylinder

All service work can be done through the mail, Al's has a full service machine shop with qualified technicians. Before shipping your crankshaft to us for rebuilding, call first to get an RMA number that will identify your package when we receive it.

1 cylinder-\$90-\$125 plus parts

2 cylinder-\$175 plus parts

3 cylinder-\$200-\$250 plus parts

Al's also has many crankshafts in stock that are already rebuilt and ready to ship.

Call for price and availability or check online, prices are with your old crankshaft in exchange.

Complete Engine Rebuilding

Al's has full service technicians to repair or rebuild your engine. All engine work can be done through the mail. Prices vary according to the year, make and model of the sled and the type of work that needs to be done. Call our operators first, before sending, to get an RMA number which will identify your package and the work to be done.

Cylinder Boring

We bore cylinders through the mail. A new piston is required for all boring jobs-see pages 30-38.

Deluxe Bore \$55 ea.

Includes boring & honing, radiusing ports, fitting of rings and cleaning.

(Stud removal and re-installation is extra with either service option, usually a \$10 charge per cylinder.) Not responsible for studs that break. Yamaha SRV cylinders will be an extra charge.

Crankshaft Rebuilding

"THANK YOU AL'S

I got my flywheel in excellent shape and it was packaged very well...and in time for the big ride, and I saved some money buying a used part. THANKS AL'S...now I can go on my snowmobile trip! I will make sure to recommend your company to all my customers looking for used snowmobile parts!

Thanks again for the great experience, Jaysen"

New Drive Belts

-MAX2® Belts, a high performance drive belt features the ARAMAX® cords, like Kevlar it is pound-for-pound stronger than steel.

MAX2®-\$31.95

ULTIMAX® 3
\$57.95

-ULTIMAX 3® Belts for the driver who refuses to settle for second best. Ultimax® 3 belts feature a unique double-cog design that dissipates heat and aids flexibility; they run over 10⁰ cooler than flat-top designs for increased performance and horsepower. Constructed with large ARAMAX® inner cord, increased thickness and extra tight tolerances, up to three times more exacting than a conventional drive belt.

Ultimax® XS is designed for high horsepower sleds and delivers strength and dependability never before available. Carlisle innovation provides superior performance and longer belt life unsurpassed by any competitive belt. Today's high horsepower machines outperform yesterday's drive belts. The Ultimax tradition of quality and innovation continues with the new Ultimax® XS. Ultimax® XS has increased strength and is built with new heat tolerant materials. With a revolutionary new compound, extra strong Aramax® cord, and new manufacturing processes, Ultimax® XS will run cooler, longer and faster. Extensive lab and field testing have proven that Ultimax® XS can withstand the punishment that today's super-sleds dish out. Capture the Power with belts by Carlisle!

Comet Clutches

\$254.95

*Add \$60 for Spring and Weights
Free Assembly*

108-EXP

For a clutch great in performance, try the heavy-duty 108 EXP, with improved support towers and a cast aluminum cover. Cam arms and springs are not included allowing you to fine tune your clutch. Precision workmanship and materials, superb design (including the "open face" for enhanced cooling, cleaning & lubrication). A great selection of "mod" components, a proven record on track & trail.

94-C Duster

For family fun, for work, even just to get a tired old machine moving again, the DUSTER does it better... better than your machine's original clutch did when it was new.

\$179.95

102-C

For a clutch great in performance, try the Heavy-Duty 102C. Precision workmanship and materials, superb design (including the "open face" for enhanced cooling, cleaning and lubrication).
\$249.95

*Add \$60 for Spring and Weights
Free Assembly*

108 4-Pro Series

The 108 4-Pro utilizes four clutch weights rather than three, greatly enhancing tune-ability. Arms can be used in sets of two, to allow you to zero in on the amount of weight desired. Captivated tower allows the shouldered cover bolts to virtually eliminate tower spreading. It's the latest in a long line of great clutches and has topped them all. Super performance, super durability, super power.

Woody's Quality

For more than a quarter of a century, Woody's has produced the finest quality carbide runners with distinct advantages in workmanship, materials and design quality. Each Woody's carbide runner is designed to the exact specifications of a particular machine.

Innovative features like ultra-progressive 60° carbide inserts (the most aggressive cutting edge allowed) that are guaranteed not to come out under any conditions. Flat-Top™ design, rounded wear pads and full-length hardweld keep Woody's on top. Superior quality construction, performance, safety, and reduced expense due to long service life-the Woody's guarantee.

Dooly Carbide Runners

- A revolutionary product from the industry leader.
- Dooly wear bars create four parallel traction lines for dramatically decreased darting and enhanced handling.
- Each wear rod features two 7/16" runners with center carbide.
- Available in 4", 6", or 8" of turning carbide.
- 4" has 90° carbide; 6" and 8" have 60° carbide.
- Hardweld at the front of wear rod and 1 1/2" carbide pad at the back.
- Durable 3/8" - 16 mounting studs ensure secure fit.
- Sold each, order 2 per sled.

To order please find your application from the chart above and use the last 4 numbers with the prefixes from the chart below, call one of our representatives or go online..

Note: Dooly runners are not available for all models.

Kimpex Polycarbonate Windshields

- All Kimpex windshields are manufactured from Lexan optical grade polycarbonate
- Stronger and more resistant than Butyrate
- Maximum flexibility at sub-zero temperatures
- Every Kimpex windshield has a protective skin on each of its sides for protection against damage
- To find the correct windshield, the heights are listed in the size column of the windshield application chart. Windshield height is measured from the top of the dash to the highest part of the windshield.

CDI Boxes

-Manufactured to meet or exceed OEM specifications

-Warranty Disclaimer-CDI boxes must be replaced by experienced mechanics and proper test equipment. Since improper replacement or without first testing the entire ignition system, damage to the new CDI box could occur. Due to this, no returns will be accepted on new or used electrical items. All CDI boxes have been pre-tested. Not for use on Ultralights.

Cylinder Boring

We bore cylinders through the mail. A new piston is required for all boring jobs.

Deluxe Bore \$55 ea.

Includes boring & honing, radiusing ports, fitting of rings and cleaning.

(Stud removal and re-installation is extra with either service option, usually a \$10 charge per cylinder.) Not responsible for studs that break.

Cylinder Resleeving

Our Resleeved Cylinders are "Ready For Installation" 2-7 Day Turnaround Time

Our cylinder resleeving includes precision fitting to piston specifications. Al's Resleeving stands out above the rest because our cylinders are "Ready to Install", no additional work is required on your part before installation.

Price is \$175 plus sleeve and piston

Cylinder Replating

We have most popular models already replated and in stock ready to ship with your old cylinder in exchange. We also carry most pistons for an additional charge starting at \$59.95 and up.

price \$195-\$250 (does not include a piston.)

(Stud removal and re-installation is extra, usually a \$10 charge per cylinder.) Not responsible for studs that break.

Crankshaft Rebuilding

1, 2 & 3 cylinder

All service work can be done through the mail, Al's has a full service machine shop with qualified technicians. Before shipping your crankshaft to us for rebuilding, call first to get an RMA number that will identify your package when we receive it.

1 cylinder-\$90-\$125 plus parts

2 cylinder-\$175 plus parts

3 cylinder-\$200-\$250 plus parts

Used Crankshaft

Available for most makes & models, call for price and availability, all prices are with your old crankshaft in exchange.

Stator Repair

-We can have your old stator rebuilt(rewound) for about half the price of a new one
-About 2-2 1/2 week turn around time

\$175-\$250

"We've Got Your Parts"

ATVparts.com

World's Largest Used Parts Inventory

This catalog is only a small portion of our parts inventory. We have a 30,000 square foot warehouse full of parts for all years, makes and models of snowmobiles & ATV's. Our inventory changes daily. This is a general booklet of parts that we carry. If the part you need is not listed in this catalog,

please contact us for availability. Most all our inventory is computerized and can be looked up quickly and easily or can be viewed online on our website. We strip perfect, complete machines daily. Most used parts are guaranteed for 10 days.

"I want to start off by thanking you for standing behind your merchandise. Nowadays it seems like few and fewer businesses care and will do what you will do - BE FAIR. The best I can do and will, is to tell others about your company -- the honesty and fairness you demonstrate. I'm looking forward to doing business in the future with you. THANKS!
With All Due Respect, Ken"

Policy

Phone Orders

Please phone in your parts order to Al's Snowmobile or order online at AlsSnowmobile.com. We have no minimum order, our minimum shipping & handling charge is \$8.75 plus \$1.95 non-refundable processing fee. We ship Visa, Mastercard, Discover, American Express, and C.O.D. (money order only).

Shipping & Handling

All shipping and handling charges are extra and depend on weight, zone, and size. Minimum shipping and handling charge is \$8.75 on any order plus \$1.95 non-refundable processing fee. We ship by UPS, FedEx, Truck and U.S. Postal Service. Al's Snowmobile reserves the right to choose the method of shipping.

Truck Shipping for larger oversize and overweight items such as hoods, chassis, and complete machines. These must be prepaid by Credit Card or Money Order in advance. Sorry, no COD's on truck shipping. Truck shipping must also be shipped to a business address only.

Air Shipping can be done UPS or FedEx next day, second day, or three day delivery for an additional shipping and handling charge. Air freight shipments must be prepaid with a credit card. Sorry, no COD's on air shipments. Al's does not guarantee delivery times. Any disputes on delivery times are between the shipping company that was used, and the person who places the order. No refunds on Air Shipping will be made by Al's Snowmobile.

International Shipping must be prepaid by credit card or by sending a money order in advance, and must be in U.S. funds only. Please consult your local bank or post office for any additional duty/exchange rate charges. Sorry, we cannot ship COD outside the continental U.S. Alaska shipping must be prepaid by credit card or money order in advance. Sorry, no COD's to Alaska.

Refused Shipments

If you place an order and then refuse shipment you will be charged shipping costs to you and back to us, you will also be charged a 20% restocking fee. No orders will be processed for a customer who has an unpaid balance with us because of a refused shipment.

Credit Card Orders

Al's Snowmobile accepts Visa, Master Card, Discover, and American Express. Please have your credit card ready when you call to place an order. Please check your expiration date. You will save the extra C.O.D. fee by paying for your order with a credit card rather than having it sent COD.

C.O.D Orders

We ship COD with UPS or FedEx within the continental U.S. only. Sorry, we cannot offer COD to Alaska, Hawaii, APO's, FPO's or any foreign country including Canada. Each package shipped will be charged a \$7.50 COD fee. COD orders must be paid with a money order. Sorry, no personal checks or cash accepted for COD orders. Someone must be at the delivery address to pay the driver upon receipt of the package or the package will be returned to us and additional shipping charges will be the responsibility of the customer who placed the order. If a COD package is returned to us because of a refused delivery or no delivery after 3 attempts, no more COD's will be shipped to that address in the future, only prepaid orders.

Returns

Merchandise return claims must be made within 10 days of receipt date, all returns will be for exchange or store credit only, provided it is in new condition with original packaging for new parts, or original condition for used parts, no returns after 30 days. All returns must be pre-authorized by an Al's Snowmobile representative and must include a Return Merchandise Authorization number, a return form, and the original invoice. A restocking fee may apply to some returns. We will not accept anything returned to us COD. No returns on electrical parts (new or used), video's, open gasket sets, anything that was special ordered, or any part that has been modified in any way.

Core Charges

All core parts returned for core refund must be returned within 30 days in order to receive any refunds. No refund after 30 days.

Warranty

Most parts are satisfaction guaranteed for 10 days after the day of receipt. Al's Snowmobile makes no warranty as to products sold by us, expressed or implied, including without any limitation any warranties or fitness for a particular purpose. We will pass on all warranties made by the manufacturer who has the sole responsibility for performing such warranties. The manufacturer shall be solely responsible for any damage to person or property arising from the design, manufacture or use of it's products. Al's Snowmobile accepts no liability for such damages and shall not be liable for indirect or consequential damages. Prices for parts and shipping subject to change, availability not guaranteed. Not responsible for printing errors.

The use of snowmobile brand names like Arctic Cat, Ski-doo, Polaris, Yamaha is for reference purpose only, Al's does not imply an association, legal or otherwise, with these companies.

For Continental U.S. Standard (all others call for rates)
